To All Waters Edge Property Owners,

The board met recently and approved raising the initiation fee/transfer fee on the sale of any property in Waters Edge from the existing \$750.00 to \$1,000.00 effective June 1, 2022. This will bring our fee more in line with other gated communities here at the Lake. This fee is paid by the buyer at the time of closing of the sale of the property.

Should you have any questions on the above, please feel free to email your inquiry to: weoa31024@gmail.com. Your email will be forwarded to Steve Reeder, President, who will reach out to you personally. Please include a good contact phone number.

Have a great day!

WEOA Board
